Career Objective

AI & Data Science undergraduate with strong fundamentals in Data Structures, Java, Python, and MySQL, aspiring to pursue a career as a Software Developer. Dedicated to developing efficient and scalable software solutions while delivering high-quality technical outcomes

Area of Interest

- Software Developer
- Machine Learning and Data Science

Education

Bachelor of Technology in Artificial Intelligence and Data Science | 2023-2027

Dr. Mahalingam College of Engineering and Technology | Anna University | Pollachi | CGPA : 8.8(Till 5th sem)

Higher Secondary Certificate | 2023

RKR Grks Matriculation Higher Secondary School | Udumalpet | State Board | Percentage : 90%

Skills

Technical Skills

- **Programming Languages:** Java, Python ,C
- **Database Management:** MySQL
- **Libraries and Framework :** Pandas,Numpy,Scikit-Learn, Spring boot, Streamlit
- **Tools and Technologies :**Googlecolab, Visual Studio code, Eclipse IDE

Soft Skills

- Problem Solving and Logical Thinking
- Analytical Thinking
- Time Management

Projects

Resume Analyzer – AI-Based Screening System

Oct 4,2025 – Oct 9, 2025

Technologies: Python, NLP, BERT, Streamlit, pandas

- Developed a BERT-based AI resume screening system with Streamlit, implementing NLP preprocessing and skill extraction to rank resumes against job descriptions and automate candidate shortlisting

Payroll Management System – Full Stack Project

Aug 13,2024-Aug 19,2024

Technologies: Java, JDBC, MySQL, Swing

- Developed a desktop-based Payroll Management System with secure authentication and role-based access control
- Implemented CRUD operations using Java and SQL, optimizing database queries for efficient and reliable data

Internship

NandhaInfoTech- DataScience Intern | Coimbatore

June 12,2025 – June 27,2025

- Completed an AI and Data Science internship, gaining hands-on experience in data preprocessing, analysis, visualization, and machine learning model development, evaluation, and data-driven decision-making using Python

Certifications

- NPTEL: Communication in the Digital Age; Public Speaking; Python for Data Science
- Cambridge English Linguaskills: CEFR Level B1 – English Communication Proficiency
- Flipkart Runway – Season 5 | CodeHer'25: Participation Certificates

Achievement

- NPTEL-certified 'Elite' in Communication in the Digital Age; solved 100+ Data Structures and Algorithms problems on LeetCode, demonstrating strong problem-solving and programming proficiency
